

APICAL

CALCIUM-MAGNESIUM CORRECTIVE

Salts of calcium and magnesium

COMPOSITION

MAGNESIUM OXIDE (MgO) water soluble: 2%

CALCIUM OXIDE (CaO) water soluble: 10%

APICAL PLUS

CE FERTILIZER - calcium nitrate

with magnesium, boron and molybdenum

COMPOSITION

TOTAL AVAILABLE NITROGEN (N): 8%

MAGNESIUM OXIDE (MgO) water soluble: 5%

CALCIUM OXIDE (CaO) water soluble: 8%

BORON (B) 0,1% MOLYBDENUM (Mo) 0,001%

FEATURES

APICAL and APICAL PLUS are products based on calcium and magnesium.

They are appropriate to prevent and to fight against physiopathologies caused by the deficiency of those elements as the withering of the rachis in grape, the apical rot in peppers and tomatoes crops, the rot in fennel, celery, various species of flowers (carnation), bitter pit, withering of leaves of the melon and the grape.
